

COMMONWEALTH OF PENNSYLVANIA
OFFICE OF THE GOVERNOR
HARRISBURG

THE GOVERNOR

GREETINGS:

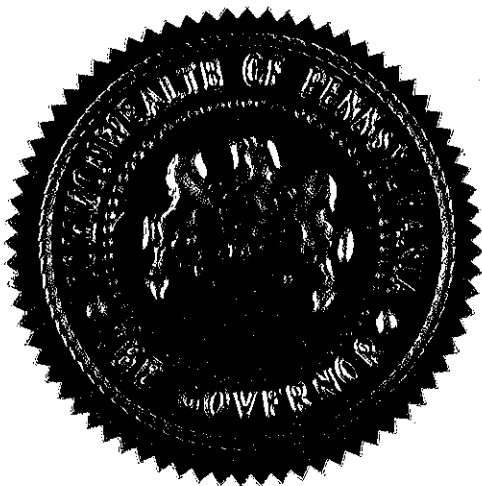

It gives me great pleasure to extend my support in recognizing September 21-28, 2008 as Health, Wealth and Wellness Week and September 22 as Health, Wealth and Wellness Day in Pennsylvania.

In keeping with the goals of the Pennsylvania Department of Health's Office of Health Equity and the National Association of Health Services Executives (NAHSE), Health, Wealth and Wellness Week and Day highlight available community resources, including on-site assistance, training, interviewing, activities and community-business networking, to promote improve health, wealth and wellness status and opportunities.

The Department of Health's Office of Health Equity is working with academic institutions, community based organizations, state agencies, health partners, providers, and others in the public and private sectors to achieve its primary goal—to eliminate health disparities in Pennsylvania.

Through education, information, and community participation, Health, Wealth and Wellness Week and Day underscore the commitment of individuals and organizations in our communities to enhance the quality, access and availability of health care services and further increase the visibility of participating businesses, vendors, organizations, and faith-based entities.

As Governor and on behalf of all Pennsylvanians, I extend my support in recognizing September 21-28, 2008 as Health, Wealth and Wellness Week and September 22 as Health, Wealth and Wellness Day in Pennsylvania..

Edward G. Rendell
