---

**REQUIREMENTS FOR VAN SCREENING:**

A woman CAN get a mammogram on the van if:

- She is 40 or over
- She gives a prescription from her doctor to the technician
- She gives the name and address of at least one doctor

A woman CANNOT get a mammogram on the van if:

- She has a new breast problem (feels a lump, skin changes or nipple discharge)
- She was diagnosed with breast cancer within the past two years
- She is currently being treated for breast cancer
- She is breast feeding or has breast fed within the last nine months.
- She needs help getting on and off the van and standing for the mammogram.
- She has breast implants
- She is pregnant
