Dear Mr. Boyd:

Congratulations on hosting the upcoming 2nd Annual Health, Wealth, and Wellness Week from September 21 – 28, 2008. Promoting community awareness and empowerment through sponsoring programs dealing with health, fitness and education is invaluable to our community and all the residents who live here.

During this time of increased cost for healthcare as well as the increased need, your event is extremely timely and equally vital to the quality of health for countless individuals and families in need.

We encourage all our residents to participate and applaud you and the National Association of Health Services Executives on your commitment and your efforts to provide assistance to those who need it.

Count on us for our support again this year.

Best regards,

Jannie L. Blackwell
